We will cooperate with government and law enforcement officials, as well as private parties, to enforce and comply with the law. We may disclose any information about you to government or law enforcement officials or private parties that, in our sole discretion, we believe necessary or appropriate to respond to claims and legal process including, but not limited to, subpoenas, to protect our property and rights or that of a third party, to protect the safety of the public or any person, or to prevent or stop activity we may consider to be, or to pose a risk of being, illegal, unethical or subject to legal action.

INDEMNIFICATION
You agree to indemnify and hold us, our affiliates, and our vendors, and each of our and their owners, directors, officers, employees, and agents (the Indemnified Parties) harmless from and against any and all losses, liabilities, claims, demands, damages, costs and expenses, including reasonable attorney’s fees, arising out of or in connection with your use of the Applications or Services, or any violation of these Terms or of any law or the rights of any user or other third party.

LIMITATION OF LIABILITY
In no event will any of the Indemnified Parties be liable to you or any third party for any indirect, consequential, exemplary, incidental, special or punitive damages, including for any lost profits or lost data arising from your use of the Applications or Services, or any of the content accessed through or downloaded from the Applications, even if they are aware or have been advised of the possibility of such damages. In no case shall the Indemnified Parties’ cumulative liability to you for any cause whatsoever, and regardless of the form of the action, exceed US$10.00. Because certain state laws do not allow the exclusion or limitation of certain damages, these limitations, in full or in part, may not apply to you.

**DISPUTE RESOLUTION/GOVERNING LAW**

With respect to any dispute, you agree to first contact us and work with us in good faith to attempt to resolve the dispute. In the event we are not able to resolve the dispute, we each agree to resolve any claim, dispute, or controversy arising out of or in connection with or relating to these Terms, or the breach or alleged breach thereof (collectively, Claims), through binding arbitration by the American Arbitration Association (AAA) under the Commercial Arbitration Rules and Supplementary Procedures for Consumer Related Disputes then in effect for the AAA. The arbitration shall take place in the state and county where our corporate headquarters is located. By visiting or using the Applications or Services, you agree that the laws of that state, without regard to its choice of law principles, will govern these Terms and any dispute of any sort that might arise between us. The application of the United Nations Convention on Contracts for the International Sale of Goods is expressly excluded. Notwithstanding the foregoing, either party may seek injunctive or other equitable relief from any court of competent jurisdiction for matters related to data security, IP, or unauthorized access to the Applications or Services. We each agree to waive any and all rights we may have to trial by jury.

**CORPORATE TRANSFER**

In the course of a corporate merger, acquisition, divestiture, asset sale, joint venture, bankruptcy, dissolution, reorganization, or any other similar transaction or proceeding, we may sell, divest, transfer, assign, share or otherwise engage in a transaction that involves some or all of our assets, including your user account information and content.

**GENERAL**

We may modify these Terms, at any time and for any reason, by posting the revised Terms on the Site. Your use of the Applications after any such posting indicates your acceptance of the modified Terms. In the event any portion of these Terms is held to be invalid or unenforceable, then such portion shall be construed in accordance with the applicable law as nearly as possible to reflect our original intentions; the remainder of these Terms shall remain in full force and effect. All provisions of these Terms that, by their terms, are reasonably expected to survive their termination shall survive such termination. These Terms contain the entire agreement concerning your use of the Applications and the Services and supersede all existing agreements and all other oral, written or other communication between us concerning its subject matter. No waiver
of these Terms shall be effective unless in writing. Except as otherwise expressly stated in these Terms, there shall be no third-party beneficiaries.
